# What can I expect when I arrive?

Supportive **engaging** students.

Friendly staff who **empower** students.

A school that **enables** all students to achieve their potential!

# What may be different to my primary school?

There will be a number of changes to your school life when you start in Year 7. You should have received an information booklet with all of the key information.

*However, here's some extra 'inside' information!*

**The Quad** – A great place to socialise with your friends between lessons. Year 7 students only.

**Learning Resource Centre**  
– Also known as the LRC. Filled with computers for you to use and books for you to read.

**Canteen** – Serving both hot and cold food! The dinner ladies are some of the nicest people you will meet in school!

Mr Backhouse did some research in September 2019 with Year 7 students. 100% of students who took part in the research had made at least one new friend in the first two weeks.

During the Summer Term 2019, the students were asked about their main concerns, and this was reviewed again after Term 1: -

Student concerns before transition	Before	After
Getting Lost	100%	0%
Losing old friends	60%	0%
Being bullied	80%	0%
Discipline and Detentions	100%	0%
Homework	100%	20%

# What else happens in the school?

The answer is *a lot!*

Learning does not stop at 15:05.

You can attend clubs on Art, Music, Drama, Science, Sports, Geography, Computing, Chess, Anime, Reading and much more.

You can find your passion here at Childwall SSA.

## Congratulations on receiving your place at Childwall.

*Mr Backhouse:*

“My job is to ensure that all Year 7 Childwall students have the best start possible. I will ensure that you have an environment engrossed in high expectations in which **you** come first. I will be there to provide you with support on a daily basis. I was also once a Year 7 student and remember exactly the nerves and excitement that surrounds your start to a new school.

You have a huge support network in Childwall as we describe ourselves as a **family**.

I really look forward to seeing you again soon.”

**Mr Backhouse**

*Year 6-7 Transition Manager and the Head of Year 7*

If you or your child have any queries, you can contact Mr Backhouse on the main school number or email him on [jbackhouse@childwallssa.org](mailto:jbackhouse@childwallssa.org)

Mr Backhouse will also arrange a tour if you wish to have a look around the school.
