# Finding your way around

We know it can be tricky to find your way around in a new environment. Before you start at Childwall, you will receive a map so you can colour the rooms/areas in different colours.

Also, look for the paintings and posters on the corridors – this can give you a clue to the subject department.

You may want to mark:

Your form room

The library

Different subject areas, e.g.: English, Maths, Science labs, Art, Computer suite

The canteen

The toilets

The main office

Students' entrance
