2nd September 2020

Dear Parents and Carers,

We are looking forward to welcoming your children back to us this week. I write to you today with a brief update of the latest guidance issued by the government towards the end of last week.

Masks/Facial Coverings:

Please see the link below regarding the guidance for wearing masks in school.

<https://www.gov.uk/government/publications/face-coverings-in-education/face-coverings-in-education>

In response to this guidance, we recommend that staff and students wear a mask in busy communal areas e.g. corridors, toilets, dining rooms, playgrounds, etc. As we are not in a localised lockdown, I must stress that this is our strong advice/recommendation; it is not compulsory at this moment in time. Some students may wish to wear masks in class. This is their decision and it is not compulsory. Be aware that children may find that some staff choose to wear visors when teaching.

The Trust/school will not be able to provide the masks for general use. Our supply will be utilised for urgent use linked to potential Coronavirus symptoms and first aid.

Local Lockdown:

In the event of Local Lockdown, we will identify a different way of working again. If we find ourselves in this situation. We will follow the DFE guidance released last Friday evening.

Thank you for your patience and understanding. We will continue to keep you updated as we move forward.

Yours faithfully,

Ms J E Vincent
Headteacher
