

Roanne Clements -Bedson	Parent Governor
-------------------------	-----------------

I am proud to be the parent of a CSSA student, and privileged to be a parent governor on the Academy Governance Committee. I am always impressed by the dedication of the staff team and the student-centred approach to everything they do. By offering my professional and personal experience I hope to be able to support the school in their drive to continually improve.

As a parent of children with SEN (Special Educational Needs), I have experience of the joys and frustrations that are involved. I will always champion the needs of every child to belong and achieve. I also get to hear first-hand the voice of students: their successes, challenges and the many opportunities and support that they are offered by school.

Professionally, I am the headteacher of a local primary school. Over half of our y6 children transfer to Childwall every year so I also get to hear the voice of parents and the local reputation of CSSA.

I have been a governor since November 2022 and it has been great to see the school go from strength to strength.
