OFSTED wrote of Ann's leadership that the school improved rapidly and staff followed her "determination and passion to make the school the best it can be".

Due to the success of Deyes High School the DFE approached Ann and her Governors to develop a multi-academy trust in 2015 with Childwall Sports & Science Academy where the last OFSTED described the Trust that Ann leads as "pivotal in the school's journey of improvement".

Ann has also contributed to many school improvement projects in other schools and opened a brand new Free School and Teacher Training Centre. She became an LLE in 2011. She has successfully completed the SSAT Executive Headteacher programme and undergone Chief Executive training with Mott Macdonald.

Ann has served as a Governor for 23 years and has a wealth of experience relating to Governance both in schools and Trusts. She has a deep understanding of the strategic development of schools, school improvement, financial oversight, risk management, performance management and both the challenge and support that a Governor should provide. Ann is currently a Director on the Trust Board of Lydiate Learning Trust and is a Board appointed Governor on the Academy Governance Committee for Childwall Sports and Science Academy and the Trusts teacher training centre, known as AMP SCITT.

Ann's fundamental passion lies in learning and her moral purpose is based on the premise that "all children have the right to an outstanding education and to be taught by outstanding teachers". She works tirelessly to uphold the Trust vision of Engage, Enable and Empower with the ultimate aim of transforming lives.
