

Catherine Bate	Co-opted Governor
-----------------------	--------------------------

I am extremely proud to be part of Childwall Sports & Science community and will support the school wholeheartedly to achieve its goals.

I am the link governor for behaviour and attitudes. Professionally I have worked in education for the last 34 years as a teacher of Science and Child Development. I have spent 25 of those years as a pastoral leader with specific responsibility for Year 7 and primary transition. I have also served as a staff governor and initial teacher training mentor. Personally I am a wife, mother and grandmother. I have two grandsons. One who has ASD and one with Type 1 diabetes. I am happy to use my experiences both personally and as an educator to inform my role as a governor. I wish to ensure that we engage, enable and empower the students of Childwall Science and Sports Academy to become the very best they can be.
