

Stuart Cheetham	Staff Governor
------------------------	-----------------------

I have been a Governor for many years and have worked with the body over changing aspects of Childwall SSA. From the change in Academies to the progress made through adaptive teaching during Covid 19.

I have been the lead teacher for the Duke of Edinburgh Award for over 15 years and have had a huge input on the safety of all educational trips that are residential.

In the past I have been the chair of the health and safety Committee and have inputs into the running a safe school trips and residential.

I have been a PE teacher at Childwall for over 20 years and have been lucky to have seen the huge development of the school in that time.

My main role as a teacher Governor is to form a link between the Governing body and the staff at the school. I can pass on achievements and concerns from staff to the GB and vice versa. I will challenge the GB on the data presented and the achievement that is made through careful scrutinising of the results.

I have enjoyed being the staff's representative to the GB and looking forward to continuing with this role.
