

Careers Journey at Childwall Sports & Science Academy

Careers Leader and Careers Advisor:
Anja Koermer

Unifrog: All our students have access to Unifrog which allows them to complete independent careers research, contact our Careers Advisor and take part in additional courses.

Our Careers Partners:

We work with many local and national universities as well as a wide range of employers and professionals. We run bespoke projects with these partners and are supported by many more for our Mock Interviews, Careers Breakfasts, Work Experience and as part our Deep Learning Days, which offer students the opportunity to explore careers and to meet professionals as well as take part in Enterprise Projects.

We run annual bespoke projects across the Year groups with:

- Shaping Futures
- The Princes' Trust
- Liverpool John Moores University
- National Citizen Service
- Edge Hill University
- Hugh Baird College
- The Apprenticeship Hub
- Everton in the Community

Deep Learning Day – Meet employers, professionals and take part in careers projects.

Introduction to Options in HE

This is me – My Transferable employability skills

Deep Learning Day – Meet employers, professionals and take part in careers projects.

What is work? My work values. Asking the right careers questions

What influences my careers? Recognising my definition for career success

You are introduced to many different people who can support you during your time at Childwall Academy. Your Careers Team are part of your support network.

You will meet employers throughout your time at Childwall Academy.

Careers is taught throughout all Key Stages at Childwall. Additional voluntary and compulsory careers events are held across the year. Students are encouraged to take responsibility for their career development.

Deep Learning Day – Meet employers, professionals and take part in careers projects.

Recognising my skills and qualities. Understanding transferable skills and articulating my individuality.

What is a career? My Career review. Changes in and around me. Change in the world of work and how to prepare for it.

From day 1 you will have the opportunity to take part in voluntary careers enrichment activities such as visiting our Careers Convention, taking part in Employer Breakfasts and in Enterprise Club as well as volunteering for careers trips and projects.

Remember that ALL subjects will have aspects of careers education embedded and you can speak to ANY staff member about careers at ANY time.

WHY?

Extensive UK and international research shows that careers in the curriculum can have some positive impacts on outcomes for young people.
