14<sup>th</sup> June 2022

Dear Parents and Carers of our new students,

Congratulations on your child being offered a place at Childwall Sports and Science Academy. We have a number of dates and events to share with you in advance of your child starting with us in September:

1. Firstly, we would like to invite you and your child to our **'Welcome to Year 7 Evening'** on **Thursday 7<sup>th</sup> July 2022 from 4:30pm until 6pm**. This is an opportunity to welcome you and your child to our school, meet key members of staff and give you some important information about our Childwall community.

There will be talks from our Headteacher and senior leadership team on our school vision, student speeches about their experience of Year 7, an opportunity for a Q&A session with the Head of Year 7 and Head of Key Stage 3 and an opportunity to tour the building. If due to COVID, you have not had chance to look around the school, you are more than welcome to attend our **Open Evening on Thursday 30<sup>th</sup> June 4:30-7:30pm**.

2. Secondly, Liverpool's **city-wide Transition Day** is on **Friday 8th July 2022**. This is a great opportunity for all Year 6 pupils to experience a full day in their new school, where they will get to know their way around the building, meet the staff and make new friends!

Year 6 pupils should arrive at **9:00am through the main reception**, please be aware that our school day starts at 8:30am for the rest of the school, so in order to prevent a buildup of traffic, please aim to arrive no earlier than 8:40am. During the day, they will take part in taster lessons in various subjects. Students should come to school in their primary uniforms, equipped with a pen and pencil. The day will finish at **2:30pm** and students will be allowed to exit through the main reception.

We will provide a lunch for students however, if you wish to bring a packed lunch with you then you are more than welcome to do so. We strongly advise that students bring a bottle of water and snack with them for break time.

In order to ensure that every student gets home safely please can you ensure that prior travel arrangements have been made. If you are collecting a student from Childwall, please ensure that you meet them outside the main reception at 2:30pm. Students who are not being collected from school will be allowed to make their own way home.

3. Finally, we would like to invite your child to our **Transition summer school**. This will take place from **24<sup>th</sup> August – 26<sup>th</sup> August 2022** and be based at the school. The summer school will run from 9am until 3pm each day. On arrival, your child should go to the main reception area they must be collected again from the main reception at 3pm unless they're making their own way home.

We are really looking forward to your child being a student here in September 2022. Attending the summer school is a great opportunity for your child to meet staff, get used to the school site, and meet other students coming into Year 7. The summer school is free to attend, however students must bring a packed lunch and a water bottle with them.

As part of the summer school, your child will take part in a wide range of activities such as football, trampolining, team building, reading, computing, science, creative arts and much more. If you would like your child to take part, please complete the attached form and send it back to me at the school by Monday 18<sup>th</sup> July 2022. Places will be allocated on a first come first served basis.

May I also take this opportunity to remind you that your child will officially start Childwall Sports & Science Academy on **Monday 5<sup>th</sup> September 2022**. **Students will be expected to arrive by 8:20am** and will enter the building through the Key Stage 3 gate, which is located next to the main school car park.
