

Alan McKeegan	Board Appointed Governor
---------------	--------------------------

Alan McKeegan has worked in the education sector for over 20 years. He has significant experience in school leadership, and improving the performance of schools that he has worked in.

Alan believes that students only get one chance at education and they have a right to demand the highest standards of schooling. The development of colleagues is fundamental to Alan's educational philosophy, as is the desire to streamline systems and processes.

Alan has extensive experience of coaching others and holds various qualification alongside the NPQH. He is also passionate about the performance of disadvantaged groups, this can be evidenced through his work as a pupil premium reviewer.

A key part of Alan's role is to source and utilise best practice to benefit the students within the Lydiate Learning Trust.
