

Cheryl Danher	Parent Governor
---------------	-----------------

My son is currently in Year 8 at the school, and I am excited to be able to share my experiences to hopefully support the school in achieving its goals.

I have been employed in education sector since 2003 working my way up through the ranks as a Teacher of Humanities to Assistant Headteacher. I work in an all-boys comprehensive secondary school, and I am currently the DSL. I also hold responsibility for pastoral care and attendance of the pupils. I feel that I have plenty to offer as in addition to my understanding of the education system. I was a Staff Governor at my own school for over 16 years. I currently sit on the Board of Trustees at The Engineering College, and I am a Parent Governor for Alder Hey Children's Hospital. I therefore understand what is expected of me when it comes to challenging the leaders of the school and holding them to account. For 8 years, I was also a Parent Governor at St Thomas' Church of England Primary School, Lydiate.

I am passionate about education and ensuring that all students have the best possible experiences whilst at school. As an ex-pupil of the school too, it is my aim to ensure that the school supports every child.
