11th September 2020

www.childwallssa.org

Dear Parents/Carers,

Firstly, may I share with you what a delight it has been to have children back in school with us this week. They have adapted well to our differences, with the vast majority engaging in learning positively and making the most of the expertise their teachers and school staff hold.

I write with an update on our COVID-19 version of Childwall Sports and Science Academy.

As always, we will continue to follow the government guidelines for schools and all previously shared information on the division and function of the school will remain. This includes student Bubbles, Bubble zones, entrances, exits, timings etc. (Please see the chart below.) Please note that we have a very strict movement regime and our cleaners are working tirelessly throughout the day to wipe down any touchable surfaces and keep up our high standards of cleanliness.

What's new?

- 1. A full week has now passed and after further discussion and assessment of risk with Trust colleagues, we have decided that **all staff and students must wear masks, or approved face coverings when transitioning around the building.** These should be plain and functional please. Wearing a mask in lessons is still strongly advised, as it is when your children are in more social situations such as break and lunch time.*
- 2. We will continue to facilitate lunch within each Bubble Zone. Please note that we have refined our systems. To order lunch for the week ahead you can now visit our website and complete an online form that goes directly to our catering team. This will then be delivered to the appropriate zone.*

You will be aware that the infection rate in Liverpool has increased significantly in recent weeks. Therefore, it is vitally important that we have your up to date contact details in case of emergency. (including an email address if possible.) Please email school at contactus@childwallssa.org or ring reception to notify us of any change.

I wish you all well this weekend. We will continue to keep you updated as we move forward.

Yours faithfully,

Ms J E Vincent
