13 May 2020

Dear Parents and Carers,

I write to inform you of the latest information we have received from the government regarding their plans for schools to begin some form of face to face support for students in Year 10 and Year 12. The link below will direct you to the parent guidance released by the Department for Education on the 11<sup>th</sup> May. I advise you to become familiar with the content of this guidance if at all possible.

<https://www.gov.uk/government/publications/closure-of-educational-settings-information-for-parents-and-carers/reopening-schools-and-other-educational-settings-from-1-june>

As always, the health, well-being and safety of the entire school community is our first and most important consideration before we take any action as a school. We feel it is important to communicate that we are in daily contact with the Department for Education and our colleagues within the Lydiate Learning Trust.

Our next step will be to undertake a full risk assessment before we slowly begin to engage with face to face learning in school. Any amendment to the arrangements for Years 10 and 12 will be communicated to you in due course once the risk assessment is complete and has been afforded due consideration. Please be mindful this will be a comprehensive exercise and we will aim to furnish you with further details late next week.

Please note that there is no change to the current provision for Year 7, Year 8 and Year 9. Remote learning expectations remain the same and school remains open to the children that are vulnerable and have Key Worker parents.

We thank you for your support and understanding during these unprecedented times.

Yours faithfully,

Ms J E Vincent  
Headteacher
