19 March 2020

www.childwallssa.org

Dear Parent,

The government has announced yesterday that from the end of the day on Friday 20th March 2020, schools will be closed to everyone except children of key workers and vulnerable children. In the event of any safeguarding concerns, please be aware that you should contact Careline on 0151 233 3700. If you experience any further difficulties, please email safeguarding@childwallssa.org and a member of the safeguarding team will contact you as soon as they can.

The government's announcement also included their decision to cancel GCSE and A-Level examinations that students across the country were due to take this summer. I am very aware of the significance of this announcement and I await news about how the government will ensure that students in Years 11 and 13 receive their appropriate qualifications. As soon as I have further information regarding this, I will share it with you. *EDIT: This letter can now be found on our website under the COVID-19 Updates tab*

As an immediate priority, it is necessary for us to capture information about the fields of employment of our parents / carers in order for us identify 'key worker' families so we can make contact regarding educational provision over the coming weeks and months. To this end, I would be grateful if you could complete a very short online survey providing the following information:

- The name(s) and year group of your child(ren) who attend Childwall Sports and Science Academy
- The job title and current employer for each adult within the household

The link to the survey is: *EDIT: This survey is now closed. Please contact the school between 8:30-3pm Monday to Friday if you are a key worker or parent/carer of a vulnerable child and you are now going to need a place at school.*

Thank you for your support in this matter. I will write to all parents again with further information regarding the school and our expectations for student learning in the weeks ahead.

Yours faithfully,

Ms J E Vincent
Headteacher
