**WE HAVE FREE COURSES STARTING
REGULARLY ACROSS MERSEYSIDE.**

Merseyside Fire & Rescue Service deliver the outstanding FREE 12-week Prince's Trust Team Programme. This personal development course gives you the opportunity to gain a qualification, build skills such as confidence, teamwork and motivation - all while helping your local community. The course runs three times a year - January, May & September - from bases around Merseyside. The programme looks a bit like this (though the order is subject to change):

Week 1: Meet New People & Take Action

Get to know your team through fun activities your team leaders provide - you will soon start to feel like part of things. You will also start planning for the weeks ahead, setting out your goals and finding out how to get your qualification.

Week 2: New Experiences

This week is all about trying new things & learning how to work with others. This gives you a chance to break away from your current situation. The things you could do include canoeing, climbing, raft building, abseiling & much more!

Weeks 3-6: Community Project

Your team will decide on a project to benefit your local community. This gives you some great experience to talk about at future interviews. You will also plan & carry out a fundraiser to cover the costs of the community project.

Weeks 7-8: Work Placements

This is the time to see how the skills you have developed so far can help you in the workplace. It gives you the chance to try out an industry or company you are interested in. It's also a great opportunity to discover new roles and careers.

Week 9: Plan for the Future

Time to plan your next steps after the programme... You will get help to write a professional CV, practise your interview skills and a chance to practice filling out application forms.

Weeks 10-11: Meet the challenge

You and your team will take on various challenges to support others in your community. This is when you get to test out all the skills you have developed so far. You will also carry out a fundraiser to cover the costs.

Week 12: Have Your Say

In the final week, you will deliver a presentation with your team to an invited audience. This is a chance to show off the talents & skills you have discovered. It may sound scary now, but after 12 weeks, you'll be surprised how far you've come!

***Information, advice & support are provided throughout.**
***Enrolment on the course will not affect your benefits.**
***During the course you complete a learning record to gain an Entry Level 3, Level 2 or Level 1 Prince's Trust qualification in Employment, Teamwork & Community Skills.**
