Rice Lane City Farm will be pleased once again to host school holiday activities and meals on Weds. 29th and Thursday 30th Dec. 2021 and Monday 3rd and Tuesday 4th January 2022. The Farm opens at 10am every day of the year and entry is free. We are a fully accessible site and cater for SEND children. We have challenging volunteers, who help doing special tasks around the site. During the Christmas school holiday there will be two strands of activities, physical and creative. On our 24acre site there are many ways to explore, see different kinds of nature, both animal and vegetable. We also have a small playground with climbing frame and bridge, suitable for under 10's. During the COVID crisis school holidays, we have served hot and cold lunches for children free every day. Our team of volunteers cook up a variety of different hot and cold lunches, something for all tastes and allergies. The feedback from earlier HAF breaks was very positive, without any complaints of quality or quantity. The physical strand of activities will include skipping, ball games, playing with hoops, treasure trails, collecting leaves and flowers and finding the famous people who are on the Farm permanently! Creative activities will involve painting, drawing chalk pictures, tree bark rubbing and drawing farm scenes. We expect to have a resident story teller, and possible musician who can lead some singing. We have an outdoor, forest school area, which will be in use during the October break. There will be a mixture of volunteers and staff running activities, all tuned to look after children safely, and send them home happy and possibly a little tired?
